

HarroComp: 'The Big Comp' Supervisor Sign In

Due to the expected high level of experience of junior competitors at such an event, we're making exceptions to our normal supervisory conditions.

At HarroWall, Juniors under 14 must be supervised by an adult who has passed our Bouldering Supervisor assessment. Juniors between 14-17 also need to be supervised by an adult unless they have passed our "**Junior unsupervised assessment**" which is suitable for highly experienced young climbers.

For The Big Comp we are allowing a one-day exception so that competent Juniors and experienced adults can instead complete this sign-in process to assist in reducing the amount of people on the mats.

N.B. ALL Adult supervisors and competing Juniors must fill in our standard e-registration forms available through our website – harrowall.co.uk/pre-register-harrowall/ (**please complete this before arrival as it will reduce queuing and make life easier for all**).

- The supervisor for any under 18 can be the parent/guardian or another associated adult (e.g. squad coaches) who has permission from the juniors parent/guardian for this event.
- 1 Supervisor can supervise up to 6 juniors for the event.
- All parents of juniors who are taking part must be made aware of the risks involved by the named adult supervisor.
- **Supervisors must have direct line of sight with any of their supervisees and must always show active supervision.** If this is not the case, the junior and supervisor may be disqualified and asked to leave.
- We ask that you do not pressurise the juniors onto certain routes or moves but, please offer encouragement and cheer them on!
- For any future visits, supervisors must complete our supervisor assessment before being allowed to supervise.
